

KING'S AFFAIR 2023

CARNIVALESQUE

It is our pleasure to welcome you to the King's Affair 2023.

At King's, we like to do things differently.
KA transforms the infamous grounds of King's into a spectacular, daring,
dream-like world for one night a year.

Experience all we have to offer: gowns and tuxedos exchanged
for extravagant fancy dress and costume, up-and-coming artists ruling the stage
whilst wild decorations, diverse entertainment, an abundance of food,
and glorious drinks take over your senses.

Think festival, 'beats not bollingers':
and a world turned upside down.

Leave the monotony of traditional May Balls behind you,
and enjoy the Carnivalesque antidote that is The King's Affair.

MAIN STAGE

IZZI

Experimenting with the intersection of global sounds & rhythms with forward-thinking UK club music, Izzi is guided by her appreciation of percussion and texture. Her genre-bending sets have earned her residencies on London-based radio stations Netil & Aaja, as well as bookings in multiple cities across the UK and most recently in Bangkok.

XANTHÈ

West London born and bred, XANTHÈ grew up around Pirate radio and the DJ/club world with her family Sunship UKG blood line, and grew to embrace it herself along with her eclectic rhythmic style. XANTHÈ is now partner in Sunship Recordings, both in production and as a DJ across the country. She has an aspiring career ahead of her. Watch this space!

IKONIKA

Ikonika is an electronic musician whose vibrant sound draws from electro, house, dubstep, experimental, funk and grime. She is a key part of Hyperdub 'one of the UK's most celebrated underground labels' and in February released her album 'Supernova' with 45Diboss, which was met with rave reviews.

GREENTEA SELECTA

Greentea Selecta is the DJ persona of Greentea Peng, known for songs such as 'Downers' and 'Hu Man'. Bringing her distinctive neo-soul and self described 'psychedelic RnB' to the decks, she has performed sets at Koko London and has an upcoming set at Glastonbury.

TASH LC

Tash LC is a DJ who has had residencies on BBC 1Xtra, KISS FM and Worldwide FM fusing afro-jazz and highlife broadcasts with more up-tempo meetings of Kuduro, Gqom, and esoteric club sounds. With upcoming sets at Waterworks Festival and the IIICON stage at Glastonbury, we are so excited for Tash LC to bring her unique sound to the main stage of King's Affair.

BUNKER & BAR

MURKEY SONICS

Having established themselves as a core part of the Cambridge electronic music scene and beyond, the Murky Sonics crew will be bringing their dark percussive flavours to KA. Head honcho Isochrone will be representing the collective, having just returned from his Latin America tour.

FURLOTTI

With prominent residencies in London, Bristol and Cambridge, FURLOTTI serves energetic and seamless sets with a carefully curated selection of House, UKG and Breaks. She is known for supporting many industry heavyweights and co-founding her own underground music event Fools in a Row.

GRAYDON

graydon has done a range of events for Slipped Disc, Arc Soc and Off The Record, including the iconic Slipped Disc all-nighter at Junction. He mixes a range of music from House and Garage to Techno.

TYLER

First featuring across the parties and club nights of Cambridge, and now co-founding Flash in the Pan, a new audiovisual garage night in London, tyler mixes with energy, infusing classic tunes with the latest in house, garage, breaks and techno - all to keep the dancefloor fun and heated.

GARETH & ED

Two fresh heads serving a sumptuous platter of the fast stuff! expect an auditory experience requiring no pharmacological modulation for enjoyment from the medical student duo.

REDRUM

RedRum's motive on the decks is creation. A Slipped Disc and ARCSOC regular, he stamped his style onto the Cambridge scene in the attic at Junction, with an eclectic use of beats ranging from 90s rave staples to heavy experimental dancefloor artillery. Loaded up with some grenades for Bunker, RedRum is ready to pull the pins in the last set of Kings Affair..

THE GALAPAGOGOS

The grooviest band gracing Cambridge, The Galapagogos play all of your favourites and more! As May Week regulars, be sure not to miss what will be a fantastic set full of fun and dancing!

Physical Accessibility

There is wheelchair access to the majority of areas in King's Affair, however please note that the Front Court area is grass, which may cause difficulties for electric wheelchair users. However, there will be flooring for the main tent on the Front Court. There will be two areas, Keynes Theatre, which does not have step-free access due to 3 steps leading down to the room, and the Bunker, down two separate flights of stairs. We may be able to provide a ramp on request to mitigate any accessibility issues. Please contact us using the information at the bottom of the page if you have any queries regarding this information. There is an accessible toilet available, and gender-neutral toilets near the Chetwynd Room, as well as the portalooos on the Front Court.

Visual Accessibility

Many areas at the King's Affair operate bright, flashing or strobe lights during the event. These areas will be in the Main Tent on the Front Court, Hall, College Bar, Chetwynd Room and Keynes Theatre. For lighting at the rest of the event, we will have a variety of lampposts, decorative lighting and safety lights. If you have any concerns about lighting, please get in touch with one of the contacts on the next page.

Entering and Exiting the event

To enter King's Affair, there will be a queuing system through the chapel, at the college's Clare Gate. There are ramps into the chapel, or if there are accessibility concerns, entry through the level Front Gate can be arranged. A queue-jump option will also be offered during the ticket purchase process.

Auditory Accessibility

There is not a BSL interpreter arranged for King's Affair, however if you would feel more comfortable with an interpreter, please let us know as soon as possible using the contact information below. Due to the logistics of the event, there is unfortunately not a hearing loop available. If you have any queries, please get in touch.

Zed Medical First Aid will be present during King's Affair, in the Beves Room. If you have a long-term health condition that it would be helpful for us to know about, or if there are concerns that it may be affected during King's Affair, please get in touch using the contact information on the next page.

Bottled water will be available throughout the event at our bars. If you urgently need water, please contact a committee member, worker or security officer as soon as possible. If you would feel more comfortable attending King's Affair with a carer, please contact us.

Food & Drink

Allergies - there will be a range of food and beverages available at King's Affair, and we ask if you suffer from a food allergy or intolerance you remain vigilant. There will be allergen information at the stalls. There will be alcoholic and non-alcoholic drinks served at all bars. If you have any queries ahead of the event, please contact our Food and Drink Team.

There will be a variety of food options available, including vegetarian and vegan options. Regarding Halal and/or Kosher dietary requirements, please contact our Food and Drink team.

Wellbeing

Quiet spaces - King's Affair can be an intense event, and so we are designating a quiet space in the Coffee Shop. If you have any queries, please get in touch using the contact information at the bottom of the page.

If at any point during King's Affair you would like assistance, please inform any of the committee members - we will make ourselves visible via black lanyards.

The committee will be in constant contact with each other and college staff and porters to ensure we can support you as effectively as possible. The Porters will be on duty throughout the night, as will Zed Medical in the Beves Room. All members of security are welfare and first aid trained.

The committee regrets that it cannot be held responsible for any loss or damage of personal property brought to the event.

The committee accepts no liability for personal injury or loss incurred by guests through their own negligence. All items in the programme are correct at the time of publishing but may be subject to change.

The committee reserves the right to refuse entry and terminate attendance at any time, to alter this programme without notification and to act as necessary in the interests of safety and security.

King's Affair 2023 would not have been possible without an enormous amount of help.

We would especially like to thank our incredible committee - it has been a pleasure to work with you all and we are so grateful for your commitment, hard work, and resilience.

We also want to highlight the incredible support we have received from all the staff at King's. this event would not have been possible without their advice and encouragement. We would like to thank the Domus Bursar, the Catering Team, Housekeeping, Neil Seabridge, and all the other college officers for their invaluable guidance in organising this event. A special thanks to Thomas Roulet for his kindness, and for going above and beyond to help our vision come to life.

Finally, thank you. Carnivalesque would not have been possible without our ethos of inclusivity and individuality, which you have all helped to champion.

We hope King's Affair has provided a much needed night of humour and chaos to your May Week, and we look forward to seeing you all for years to come.

It has been our pleasure.
